I have arranged a ski trip to 7Springs in Pennsylvania from February 16 to 20. The cost depends on the rooming arrangements. Single rooms will be \$796, Double will be \$530 per person.

The package include lift tickets good Sunday through Thursday, daily breakfast, dining gift card ski storage and the use of the swimming pool and fitness center. We have reserved 6 rooms per night with 10 members and can add additional skiers if paid in advance. Payments are to be done by check made to Kanawha Ski Club.

We are having a bicycle trip to North Bend State Park on April 24 to 26. Harry Mills is handling the arrangements. A sign up sheet will be at the February meeting.

We are considering a trip to Pipestem State Park this summer

CSC will have a race March 6 to 8 at Silver Creek. Non racers can sign up for the reduced room rates and lift tickets. See Crescent Ski website for details
